

Gold Award from VisitEngland

We are chuffed to have won a Gold Award to sit alongside our 4 star self-catering cottage status from Visit England.

VisitEngland is the National Tourist Board for England, and explain their [Gold Award](#) as:

No matter what the star rating or designator, you can find accommodation which excels in hospitality and service and has

top scores for bedrooms, bathrooms, food and cleanliness. These special properties hold a VisitEngland Gold or Silver Award, which offer the 'best of the best', regardless of the range of facilities and services they offer. There are 4,536 Gold Award properties and 1,189 with a Silver Award across England.

Homildon Cottage also achieved a clean sweep of the VisitEngland official "Welcome" accreditations.
